Finite State Machine Based Testing - Feature #391

Timeout stdout observer

2015-03-05 12:45 - Christian Heigele

Status:	New		Start date:	2015-03-05
Priority:	Normal		**Due date:**	
Assignee:	Florian Lier		**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour
Description				
A new observer that counts the time since the last stdout change would be perfect. With that deadlocks could be easily identified.
